God is in Control!

And we know that in all things God works for the good of those who love him, who have been called according to his purpose.

...Romans 8:28

Dear Friends

Last Sunday was a wonderful example of the maturity of this congregation. We had a musical Sunday, with no pastor or sermon, yet we had 66 in attendance and a very generous offering. To say that the music was awesome and inspiring, would be an understatement! This congregation gets it! God's word can come from anywhere, at any time. God is in control! Be sure and come to church this Sunday to find out what God has planned for the next part of our journey as a congregation.
